European Union (or Union) and European Union law (or Union law). The articles within both the TEU and TFEU have been renumbered by the ToL as part of a simplification exercise. There are cross-references to old Treaty numbers (pre-ToL). The TEU and the TFEU form the "constitution" of the European Union and are therefore an important source of Union law. Although they do not purport to create the constitution of a federal state, in some respects they do have that effect. Professor Klaus-Dieter Borchardt. The ABC of European Union law.
