I adjusted the margin of a document in WORD 2007 - down 6 inches. When I completed that document and began another, the margins did not return to the default settings. How do I reinstate the default settings? read more. Hans Uebelhoer. I use Microsoft Office Word 2007. I am typing a manuscript. I have margin settings on "normal" for 1" margins on all sides. However, I get 1" margins only on sides, but not on top and bottom. Top and bottom margins are 0.5" read more. James Carter. Alternative Projects: Video Project: With the advent of new technology & social media, I am open to exploring some alternatives to this written assignment. Both you and the interviewee need to be visible in the recording (perhaps 2 cameras) Good sound quality (must use external microphones) Nice video transitions, editing Appropriate soundtrack Discussion or voice-overs where you link observations about the company to class material. I will be a little flexible on this, but no one should view this as a shortcut compared to writing a paper, it.
