Comprehension & Collaboration: Inquiry Circles in Action

by Stephanie Harvey and Harvey "Smokey" Daniels

A Professional Learning Community Supper Series with Stephanie Harvey

Join **Stephanie Harvey** to get your students thinking, asking questions and deeply understanding what they read. This series will provide informal networking and troubleshooting, as well as high quality discussion facilitated by an international literacy expert based around her book, written with Smokey Daniels: *Comprehension and Collaboration: Inquiry Circles in Action.*

4-6 PM—Ramada
1501 North Point Dr., Stevens Point
August 15, November 14, March 12
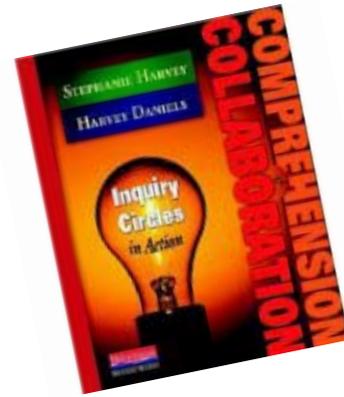

A light supper will be provided.
Participants will receive a copy of the book.

Come, relax, unwind and learn together. . .

COST: $75.00 for the Series

$50.00 per individual Meeting

Cancellation Refunds for Participants: Registered participants will receive a full refund if they cancel more than 3 working days before a workshop. Because of our commitments to the trainer and the food vendor, participants who cancel less than 3 working days or do not attend, will be billed the full fee.

"This book is about small-group projects that work. It's about combining what we know about the research process, about thinking, and about people working together to create a structure that consistently supports kids to build knowledge that matters in their lives."

-Stephanie Harvey and Harvey "Smokey" Daniels

Reviews:

The book is written in a conversational manner, but includes research to back up the information they present.. I would recommend this book for any teacher of students from K-12, the age or subject area is not important. It is important that teachers get a look inside classrooms where this kind of learning is going on and the scenarios presented in the book are this glimpse into real classrooms.

-Erica M

This is a fantastic book that shows readers the process of inquiry-based teaching by showcasing various units that teachers have done with their students. The ideas in this book are immediately applicable to state curriculum and tomorrow's lesson plan. This is one teaching book I will NOT resell.
