Among all the creatures on Earth, human being is definitely superior. Writing a few lines or words about myself to introduce, I feel myself to be tiny part of this entire world that is filled with the human beings around. I am a human. An essay is, generally, a piece of writing that gives the author's own argument "but the definition is vague, overlapping with those of a paper, an article, a pamphlet, and a short story. Essays have traditionally been sub-classified as formal and informal. Formal essays are characterized by "serious purpose, dignity, logical organization, length," whereas the informal essay is characterized by "the personal element (self-revelation, individual tastes and experiences, confidential manner), humor
