\* = Look for other good books by this author

The student title page includes the paper title, author names (the byline), author affiliation, course number and name for which the paper is being submitted, instructor name, assignment due date, and page number, as shown in the following example. Title page setup is covered in Section 2.3 of the APA Publication Manual, Seventh Edition. This guidance has been revised from the 6th edition. Student papers do not include a running head unless requested by the instructor or institution.
