Edgar V. Roberts, Emeritus Professor He first published Writing About Literature (then named Writing Themes In this tenth edition of Writing About Literature

Writing about Literature. When asked to write a literary analysis, you will do more than simply summarize the piece of literature or poem for your reader. This approach works for book reports, but when writing about literature, you are expected to establish an argument, which you will support with a series of claims (or mini-arguments) while persuading readers to agree with your overall analysis. As you may notice, writing about literature uses similar techniques as an argumentative or persuasive paper.
