

Public Personnel Management and Public Policy,

By D. L. Dresang,

Little Brown & Co, Boston, MA, 1984. Hard Cover/Excellent. Book Condition: UNUSED. 1st Edition (USA)/Hardcover. This copy is in great shape--an excellent supplementary text or reference book for a career human resources manager. A sadly underrated book because it is one of the few in public personnel management to make the connection between managing people in the public sector and the consequences of both good and bad management on resulting policy. The book, given the extensive contents, is a real bargain--after all, this one ain't got no marks on it, Getting ready for that final HR exam? Well. here's one of the best books available.

Public Personnel Administration is to Public Administration what HR is to Management or Business Administration. However it is not strictly equivalent. The scale of personnel administration is much greater than that for corporations. Public administration would be the same discipline as management if not for the complexity of the governance machinery and the greater constraints (democratic accountability, policy) on its working as compared to business administration. Same goes for public personnel administration as a concept compared to HR. 3.3k views · View 3 Upvoters · View Sharers. snpQNJobvInOMkOCsAorrnHSepdlgH MxbcylNpu ONMyjdoVIVEPkkzqAOLudIMcZeNZ.
